

FestivALL 2020

	<p>We would like to invite you to celebrate with us.</p>
	<p>FestivALL is taking place during July.</p>
	<p>It is taking place across Gloucestershire.</p>
	<p>We have to stay at home as much as we can during covid-19.</p> <p>But we can connect with people online.</p>

We are asking people to make **paper chains**. You can use any material. You could **display them** in a window or send us a photograph.

There are also **online events** you can attend.

BSL Interpreters and **live captioners** will be at all of the events.

For **more information** about the **FestivALL** and the events visit www.festivall.org.

This day has been put together by a group of people **passionate about inclusion**.

This includes **Barnwood Trust, You're Welcome (Active Impact)** and **Write Up Your Street.**
